### *Pipelayer*

---

Position available for hard working person that is able to show initiative and is a quick learner.

Work involves trench work and laying pipes.

Prior experience working with pipes, conduits, tip trucks and excavators will be necessary.

Minimum requirements:

- Own transport
- MR truck licence
- Plumber or Pipe Laying Ticket
- Hard working attitude

Job is with a small company in a growth stage, for the right person there will be opportunities to learn and possibly take on a leadership role.

Work is located in and around Sydney.

Possible interstate work at various times.

Will only consider applicants who call. Please also attach your resume.

Please forward your application with resume attached to [admin@burkecontractors.com.au](mailto:admin@burkecontractors.com.au)
