Plant Operators

Civil Plant Operators with industry experience required for project work across Sydney Metro area.

We are seeking multi-skilled operators with experience on the following:

- Excavator – able to work to levels
- Skidsteer – able to work to levels
- Loader

Operators must be flexible to operate a variety of equipment in line with experience, and perform manual labour, when required.

Candidates must have:

- Load Shifting tickets as required for specific plant
- Valid Driver's Licence, HR preferred
- White Card
- Strong safety focus
- Demonstrated competency operating mobile plant in civil operations

Candidates must be prepared to travel across Sydney and possibly interstate.

All applications should be forwarded with a resume to admin@burkecontractors.com.au
